

Graduate Admissions

Charter Oak State College offers three graduate programs: MS in Organizational Leadership, MS in Health Care Administration and MS in Health Informatics. While there is a common admissions process each program may have unique admissions requirements. Applicants should review the specific program before applying.

Charter Oak State College seeks to serve all persons regardless of race, religion, creed, sex, sexual orientation, age, marital status, national or ethnic origin, or disability in the administration of its educational policies, admissions policies and employment policies as well as in the policies governing all programs that it offers or administers.
