Degree Requirements

All graduate students must earn a B- or higher in each of their courses in order to pass. Additionally, the overall grade point average of 3.0 is required to graduate.

All graduate students are required to take the Capstone Seminar as their last course. Students must receive a final grade of B or higher in the Capstone Seminar course in order to graduate. If a graduate student does not receive a grade of B or higher, the student may repeat the courses once. Only one course in the degree plan can be repeated.
