Graduation Rate**

Students achieved a 64% graduation rate for the most recently examined cohort.

Job Placement Rate

Six months after graduation employment rate is 78.2%

**Information regarding the
acceptance of transfer
credits including military**

Information regarding the acceptance of transfer credits including military

Financial Resources Available to Student:

VA Education Benefits	The amount of veteran and military benefits available to each student varies student to student and ranges between 60-100% of the College's tuition and fees. Available benefits are calculated and provided to each student when service documents are received.
Federal Pell Grants	Need based students are potentially eligible for additional Pell Grants. Under Title IV, amounts awarded to each student will vary based on the student's completed FAFSA and enrollment schedule. As a grant, these amounts do not need to be paid back by the student.
Institutional Grants	Institutional grants are awarded by the College's financial aid office and do not need to be paid back by the students
State of Connecticut Grants	Under legislation from the State of Connecticut, the College awards appropriated public funding to students based on need.
Scholarships	Scholarships available to students are funded by third parties and may be issued directly to the student or the College.
Employer Paid Tuition Benefits	A student's employer may offer payment of partial or full tuition and/or fees. Students are to work directly with their employer to understand the extent of the benefit and whether or not benefits are paid in advance or through a subsequent reimbursement.
Federal Direct Loans	Federal subsidized or unsubsidized loans are generally available to students under Title IV, amounts available to each student may vary based on the student's completed FAFSA.
Private Loans	Students may engage with private parties for student loans.

Total out of pocket costs:

The total amount paid out of pocket by each student varies upon each of the factors above. Subsequent to the admissions process, students will receive a College Financing Plan which details the specific amounts above. At that point in time each student will determine whether or not loans will be taken to subsidize the cost of education.

Estimated amount of student loan debt:
