

PLEASE ANSWER AND SUBMIT WITH WIT APPLICATION

Do you have sufficient computer/technology experience to take **online courses**? As part of the program, the College provides a laptop and Internet service so that the participant can take online courses without having to attend classes.

YES NO

Take a sample online course by going to www.ctdlc.org. Log in as a *guest* and then click on *sample course*. Did you complete the sample course?

YES NO

Are you self-motivated? Can you study on your own? Almost all of your “class work” will be completed in your own home on the laptop. You need to be self-motivated and set aside at least **two to three hours a day for each course** of study.

YES NO

Can you take at **least two courses** each semester and **one summer course**? Unless an unexpected circumstance arises, each participant is required to take two courses each semester. YES NO

Do you have time in your schedule to come to the College to pick up books and other materials, and to meet with the WIT Coordinator about your educational program of study? YES NO

Have you ever dropped out or failed a course? When a WIT participant drops out or fails a course, the College is still required to pay for the course. Furthermore, this could then have an adverse effect on your Student Financial Aid eligibility.

YES NO

Have you ever applied for Student Financial Aid (SFA)? If accepted into the *WIT Program*, you will be required to complete the SFA forms in a timely fashion. The forms will need to be completed online and you may be asked to provide the College’s Student Financial Aid Office with a copy of your completed Federal 1040 tax form. You will not be accepted into the program if you are in default of a student loan.
