Charter Oak State College
Course Fee Waiver for Connecticut Veterans
Effective January 1, 2010
http://www.charteroak.edu

Charter Oak State College is not mandated by Connecticut legislation to provide fee waivers to Connecticut veterans. However, we choose to honor the service veterans have provided to our state and to our country and have adopted a policy to offer a 50% course fee waiver for Connecticut veterans matriculated at Charter Oak.

Connecticut Veterans Waiver requirements include:

1. 90 consecutive days active duty (active duty for training not applicable).
2. Honorable discharge from the U.S. Armed Forces.
3. Copy of Member-4 of DD-214 (with required dates of service).
4. Be a matriculated student (officially accepted and current with academic services fees).
   Registration fees and other applicable fees must be paid each registration period.
   Eligibility ceases upon withdrawal, dismissal, and/or graduation.

The Federal Post-9/11 Veterans Educational Assistance Act of 2008 (Post 9/11 GI Bill) funds tuition and fees for eligible veterans up to the highest public in-state undergraduate tuition and required fees. For Connecticut, this amount for FY2009 is $486.00 per credit hour for tuition and $1,946.00 per term for required fees. If a Veteran elects to receive benefits under Post 9/11 GI Bill, the benefits are applied first, and the tuition waiver pays the balance.

All veterans are encouraged to contact their VA representative to determine their eligibility and available benefits.
