B. Approval of Policy for Charter Oak State College Faculty Engaged in Consulting or Research with a Public or Private Entity

Members of the Board of Trustees for each constituent unit of higher education are required to establish polices to ensure that any such member who enters such a consulting agreement or engages in such a research project follows set procedures.

On a motion made by J. Whitcomb and seconded by L. Winkler, the Board APPROVED Resolution 08-12, Policy for Charter Oak College Faculty Engaged in Consulting or Research with a Public or Private Entity.

CTDLC

C. Purchase of Perpetual Licenses for CT Virtual Learning Center

D. Goldsmith reported that the purchase of the perpetual licenses is for the CT Virtual Learning Center (VLC). The VCL was launched on January 23, 2008 with 41 course offerings and 101 enrollments from 49 school districts. The VLC uses commercially available software which is selected for its excellent quality and approved by the State Department of Education (SDE). Teachers are then trained to offer these courses. The VLC intends to maximize State funding by purchasing perpetual licenses that will become long term investments and will reduce the cost per enrollment for districts as the program moves to a self-sustaining model.
D. Goldsmith went on to explain that depending on the availability of courseware, an expenditure of between $150,000 and $200,000 is expected. Funding will come from the $850,000 Virtual Learning Center appropriation that was approved by the General Assembly in the last session. Purchase of this courseware will be subject to the State’s competitive bidding process.

On a motion made by E. Alquist and seconded by L. Winkler, the Board APPROVED Resolution 08-13, Purchase of Perpetual Licenses not to exceed $200,000.

The reclassification of the Assistant Director Financial Aid was reviewed and approved by the College’s consultant, Fred Owen. Additionally, the Personnel Committee discussed the title for the new Executive Director of the CTDLC and agrees that this title seems to most satisfactorily describe the position and responsibilities without confusion.

J. Titley further explained that the new position descriptions reflect the CTDLC Leadership changes with the promotion of E. Klonoski. E. Klonoski is recommending and the Personnel Committee is approving, Dr. Diane Goldsmith as Executive Director and Kevin Corcoran as Associate Executive Director of the CTDLC. J. Titley further recommended that the Job Descriptions and Positions Resolution be amended to add an effective date for new CTDLC leadership team.
