1. Pass Grades: The College does not record on an individual's record any information concerning transferred courses, examinations, or credit by portfolio for which the grade or score was below the level of a Pass.
 - a. For all undergraduate students, in all courses and/or proficiency examinations reported on a Pass/Fail system, a grade of Pass must equal a C or higher. This includes credit for examinations for which a standard score is used to determine Pass or Fail and credit for portfolios. Only letter grades equal to a C or above may be used for course work in the concentration or major, to meet the Written Communication requirement, or to meet the Prior Learning Portfolio Development course requirement for portfolio submission. Grades equal to C-, or lower, may be used as electives if they are applicable.
 - b. For all graduate students, any credit awarded by portfolio will be reported with a grade of Pass and must equal a B or higher. Only letter grades of B or above may be used for course work in the Applied Research Project and Capstone Seminar courses.
2. Incomplete grades (INC) may be issued to students under extenuating circumstances. The incomplete grade will last no longer than two weeks. Students who wish to obtain permission for an incomplete grade must complete the "Request for Incomplete Grade" form found in the student portal.
3. All grades earned in Charter Oak State College courses will become part of the student's permanent academic record.
