## Sexual Misconduct Reporting, Supporting Measures and Processes Policy

Charter Oak State College seeks to provide a safe environment for employees and students and does not tolerate any type of violence committed against students or employees in person or via electronic means. Though Charter Oak is a non-traditional college community and its students primarily learn at a distance rather than at our campus, the College is mindful of issues of personal safety. Nontraditional students are not immune to incidents of violence. To this end, we want to ensure that all of our students and staff are educated about the issues of sexual assault, domestic violence, and stalking so they understand the laws, the College's responsibilities, and their rights and responsibilities.

Charter Oak is committed to making certain that its offices are secure and safe environments for students, employees, and visitors.

Charter Oak State College is governed by the Connecticut Board of Regents (BOR). The following BOR/CSCU policies can be found on the BOR website as well:
