NOTES:

Some degree/certificate programs, e.g. RN/ADN to BSN, have additional admissions criteria or are selective admissions. They will be listed on the program pages of the website and within the catalog.

Students must have proof of a high school diploma or a recognized equivalent (e.g., G.E.D.) to be eligible to receive Title IV student financial aid.

Students who provide false information on their application or on their financial aid application or provide false transcripts will not be accepted. If students, after being accepted, provide false information to the college, they will be dismissed.

A student who is accepted into the College with a career GPA lower than a 2.0 will be placed on academic probation. The student will need to earn a 2.0 career GPA by the end of 12 credits or be dismissed from the College. If a student earns a career GPA of 2.0 before completing the 12 credits, the probation status will be lifted.

While the student is on probation, the student can take no more than 6 credits a semester.
