

Anniversary Gala
Saturday, June 10, 2023
6:00pm – 11:00pm
Hartford Marriott Downtown

Charter Oak State College was established in 1973 as a degree completion solution for women returning to the workforce in need of credentials. Fifty years later, we are happy to report that we have helped over 17,000 women and men finish their degrees; and are now Connecticut’s only (all) online public college.

The Charter Oak State College Foundation mission is to eliminate gender and racial inequities and reduce student loan debt as the solution to reduce wage and poverty gaps and enrich the lives of students, graduates, children, the workforce, and our communities.

Will you help us celebrate this Golden Milestone with a donation?

Your donation will help the Foundation raise funds and enable us to **give [more] students** scholarships & grants - ensuring a solid foundation for **brighter futures**.
