Give to *Ensure Degree Completion!*

Help our **students** leave 2020 behind

It's been a tough year, but our students continue to work hard toward the completion of their degrees. With your help, we can ensure they will be better prepared to succeed even during difficult times.

You can change lives today by contributing to those working toward achieving their goals of higher education.

Your financial support **changes** lives

Cindie, a scholarship recipient, believes that her scholarship will not only "give me peace of mind in my studies, but will help my dreams come true and ease the struggles through the process. Thank you again for your thoughtful and generous gift."

Nydia, thankful for a Technology Grant replied "This is such a blessing for me. I am thankful and overjoyed and am looking forward to graduating this December with my bachelor's in early childhood education-preschool."
