

Will you **Add a ZERO** to help us help another?

Marcia's Challenge to You

A 1993 Graduate, Alumni Association and Foundation Board Member, longtime supporter, and fan of Charter Oak, Marcia Anderson-Esson poses this challenge to you:

"Add a zero to the number of years since your graduation, or your affiliation with Charter Oak, and make a donation of that amount to the Annual Appeal."

She's done it! Will you do the same? Add a zero and show your pride and support of Charter Oak's mission.

A Gift of Education Lasts a Lifetime

Your gift will be used to help the next student achieve their dream of earning a college degree, improving their career options, and changing the financial outlook for the lives of themselves, their families, and even generations to come.

Last year, the Foundation gave over \$97,000 to our college students in the form of scholarships, grants, and Prior Learning Assessment credits. Please help keep the momentum alive with *your* donation.
