

***Class of 2018***  
**Senior Legacy Fund and Tribute Ad Opportunity**

Congratulations on your upcoming graduation and welcome to the Class of 2018! As Commencement Day approaches and you and your family reflect on your journey and success, please take a moment to consider this Senior Legacy / Tribute Ad opportunity.

**Why participate?**

The contribution of \$20.18 is two-fold. First in recognition of your achievement, and secondly as a donation to the Charter Oak State College Foundation Senior Legacy Fund as a way of saying “Thanks!” to an institution that has made a lasting impact on your life.

A gift of \$20.18 to the Senior Legacy Fund is a way to pay-it-forward and unite your senior class to the Charter Oak Foundation mission. And, also provides an opportunity for the people in the graduate’s life to acknowledge this milestone accomplishment of earning a college degree!

**What is the impact of your gift?**

**For a minimum contribution of \$20.18**, students, their parents, family members, and friends will have an opportunity to place a tribute in the back of the commencement program book. ***Memorializing the day!***

**Plus**, the donated funds are used to provide financial assistance to COSC students through grants and scholarships, contributing to another’s successful degree completion. **EVERY gift** to the Senior Legacy Fund is important, no matter its size. While the minimum gift to place a tribute ad is \$20.18, larger gifts will be accepted and appreciated.

**How to participate?**

**Tributes are due by Friday, May 4, 2018**, to guarantee inclusion in the Commencement Program Book. Examples might be: *Congratulations, Sarah! We love you. Mom and Dad. Way to Go! Or ... So proud of you and your accomplishment! Love your fave person*
