Charter Oak State College Recognized for 5 Online Degree Programs

Higher Education Resource Guide releases the Best Programs for 2023

New Britain, CT – [Intelligent.com](https://www.intelligent.com), a trusted resource for program rankings and higher education planning, has included **Charter Oak State College** www.CharterOak.edu in its list of top online institutions assessed for 2023. The research is based on flexibility, faculty, course strength, cost, and reputation.

Intelligent.com implemented a unique methodology that ranks each institution on a scale from 0 to 100 across six categories. The scoring system compares each school according to tuition costs, admission, retention and graduation rates, faculty, reputation, and student resources provided for online students.

Studies show that obtaining a degree increases income substantially, with graduates earning 84% more than those with only high school diplomas or those without a completed GED. The percentage difference in earnings continues to grow with higher learning degrees such as master's, doctoral or professional degrees, with the unemployment rate decreasing to as much as 1.6% for those with a doctorate.
