“There aren’t enough words to express how pleased I was with my Charter Oak experience. From the initial evaluation to the academic advising to the actual instruction, I found everyone to be very knowledgeable and willing to help me every step of the way. Without Charter Oak I don’t know if I would have been able to finish my undergraduate studies and go on to earn my Master’s degree. I received a high quality education from Charter Oak that has given me the knowledge, ability and skills to excel in my career beyond my initial expectations.”

“Finishing my degree at Charter Oak State College was one of the best things I have done in my life. Obtaining my degree was an important factor in finally getting the job I wanted.”

“My experience at Charter Oak State College was positive from day one. I cannot say enough about my experience. Everyone I came in contact with always went above and beyond my expectations. Online studies were absolutely the best way for me to attain my degree. This type of learning fit into my very hectic schedule. This degree has and will continue to influence my career in terms of advancement.”
