</table>

### The Public Safety Administration Faculty

Our teaching faculty come from a variety of backgrounds and work extensively with adult learners. They understand the demands of balancing academics with personal and career goals.

In the Public Safety Administration major the goal is to foster discussion of real-world scenarios, drawing from student experiences, for discussion in an academic setting. We pride ourselves on having faculty with an excellent combination of academic pedigree and practitioner background, allowing students to complete a course with knowledge they can immediately apply to the field.

Details of our public safety related Certificates can be found at [www.CharterOak.edu/Certificates](http://www.CharterOak.edu/Certificates)
Having garnered years of experience in the fire service I often felt something was lacking—I needed credentials, not just titles. Charter Oak afforded me the opportunity to fulfill what was lacking in my background. Online learning was the perfect fit of convenience and affordability … I can honestly say I have validated my career and opened the doors to more opportunity.

Leigh H. Shapiro, Captain, Hartford Fire Department, Hartford, Connecticut

A College for YOUR Busy Life
Charter Oak State College is Connecticut’s public online college offering associate’s, bachelor’s and master’s degree programs and Certificates in a number of in-demand fields including Public Safety Administration, Criminal Justice, Sociology, Psychology, Nursing, Organizational Leadership and more. Our students complete their degrees by taking online courses and often combining other sources of college credit. Our institution is accredited by the New England Commission of Higher Education.

“I have been on the faculty of COSC since 2008. The programs offered allow young students and adult learners alike the opportunity to attain higher education and, in many cases, advancement in their careers. A commitment to higher education generally leads to higher salaries, advancement, and better career choices.”

Tom Fowler, Instructor, Chief of Police, Salisbury, Massachusetts

“Charter Oak’s PSA program improved my ability to lead, and prepared me for my next career step. I completed the program while working full-time. I am now part of a groundbreaking advanced paramedic pilot program; Charter Oak’s program helped me get there.”

Brian Christison, Paramedic/FTO, San Diego, California
